

# Community Volunteer Role

## About Solving Kids' Cancer

Solving Kids' Cancer supports families affected by high-risk childhood cancers and funds the next generation of innovative research.

## About the role

This is an exciting opportunity to use skills and enthusiasm to make a valuable contribution to an international children's cancer charity. Community Volunteers are central to supporting the charity to grow income and raise awareness at a local level. The role is suitable for someone keen to fundraise for charity; that can use their pro-activity, out-going and enthusiastic nature to drive both Solving Kids' Cancer's, and their own, fundraising initiatives forward locally.

## Typical tasks

- Organising your own fundraising event locally every 6 months
- Engaging local businesses (shops etc.) to host charity collection boxes
- Promoting and furthering SKC's fundraising initiatives and events locally
- Keeping accurate records of fundraising activities, contacts and funds raised
- Working closely with the SKC fundraising team

## What we offer

- Experience fundraising for a charitable organisation
- The opportunity to make a real contribution to our work
- Support from the SKC team
- References for future employers
- Reimbursement of reasonable out-of-pocket expenses to fulfil the role

## Skills required

- People-person
- Go getter – not afraid to ask!
- Determination
- Reliability
- Negotiating and influencing
- Ability to handle money
- DBS check necessary

## Commitment

- Minimum of 6 months; approx. 4-6 hours per week; remote based.
