

Events Volunteer Role

About Solving Kids' Cancer

Solving Kids' Cancer supports families affected by high-risk childhood cancers and funds the next generation of innovative research.

About the role

This is an exciting opportunity to use skills and enthusiasm to support an international children's cancer charity. Event Volunteers are central to Solving Kids' Cancer work to grow income and raise awareness at a local level. The role is suitable for someone keen to get involved in event management in the third sector; that can use their pro-activity, out-going and enthusiastic nature to plan and deliver fundraising events.

Tasks

- Planning and organising fundraising events locally (with the support of the Fundraising Team).
- Building relationships locally with community establishments and local businesses (shops etc.) to support your fundraising.
- Keeping accurate records of fundraising activities, contacts and funds raised and relaying information to Solving Kids' Cancer.

What we offer

- Experience fundraising for a charitable organisation
- The opportunity to make a real contribution to our work
- Support from the SKC team
- References for future employers
- Reimbursement of reasonable out-of-pocket expenses to fulfil the role

Required skills

- People-person
- Go getter – not afraid to ask!
- Determination
- Organisation
- Negotiating and influencing
- Ability to handle money
- DBS check necessary

Ideal skills

- Project/Event Management (including budgeting)
- Time management

Commitment

- Minimum of 6 months; approx. 4-6 hours per week; remote based.
